- 1 The above results have been reviewed and recommended by the Audit Committee and approved by the Board of Directors of the Company in their meeting held on May 21, 2018.
- 2 The Hon'ble High Court of Allahabad had, vide its Judgement dated October 26, 2016, on a Public Interest Litigation, filed in 2012 (challenging the validity of the Concession Agreement and seeking the Concession Agreement to be quashed) has directed the Company to stop collecting the user fee holding the two specific provisions relating to levy and collection of fee to be inoperative but refused to quash the Concession Agreement. Consequently, Collection of user fee from the users of the NOIDA bridge has been suspended from October 26, 2016, pursuant to which an appeal has been filed before the Hon'ble Supreme Court of India, seeking an Interim Stay on the said Judgment.

On November 11, 2016, the Hon'ble Supreme Court issued its Interim Order and, though denying the interim stay, sought assistance of CAG to submit a report whether the Total Cost of the Project in terms of the Concession Agreement had been recovered or not by the Company. The CAG has submitted its report to the Hon'ble Supreme Court.

The case is ongoing and the next hearing is scheduled in July 2018

The Company has also notified the NOIDA Authority that the Judgement of the Hon'ble Allahabad High Court, read with the Interim Order of the Hon'ble Supreme Court of India constitute a 'change in law' under the Concession Agreement and submitted a detailed proposal for modification of the Concession Agreement, so as to place it in substantially the same legal, commercial and economic position as it was prior to the said Change in Law. The Company has further sent a Notice of Arbitration to the Noida Authority.

The Arbitral Tribunal has been constituted and Company has submitted its Statement of Claim. Noida too has submitted a Counter claim on the Company and filed application on the maintainability of the arbitration proceedings. The Company has challenged the application. At the hearing held on May 19, 2018, the Arbitral Tribunal heard the arguments of the legal counsel of Noida Authority in respect of their application on maintainability of the arbitration proceedings. As the arguments could not be concluded, the Arbitral Tribunal will decide on a date for the next hearing to continue with the arguments.

Based on legal opinion and the Board's reliance on the provisions of the Concession agreement (relating to Compensation and other recourses), the Company is confident that the underlying value of the Intangible and other assets are not impaired.

The Company continues to fulfill its obligations as per the Concession Agreement including maintenance of Project assets. 3 The Company had only one business segment and therefore reporting of segment wise information is not applicable.

- Previous period figures have been regrouped / reclassified wherever necessary. 5 The above is an extract of the detailed format of Quarterly & Annual Auidted Financial Results filed with the Stock Exchange under Regulation 33 of the
- SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of the Quarterly & Audited Financial Results are available on the websites of the Company, National Stock Exchange of India Limited and BSE Limited at www.ntbcl.com, www.nseindia.com and www.bseindia.com respectively.
